<b>TELECOMMUNICATIONS SERVICES AND</b>	<b>)</b>	<b>TC03-196</b>
<b>LOCAL EXCHANGE SERVICES IN SOUTH</b>	<b>)</b>	
<b>DAKOTA</b>		

On December 5, 2003, the Public Utilities Commission (Commission) received an application for a certificate of authority from France Telecom Corporate Solutions, L.L.C. (FTCS).

FTCS proposes to offer resold local exchange and interexchange telecommunications services within and throughout South Dakota. A proposed tariff was filed by FTCS.

On December 11, 2003, the Commission electronically transmitted notice of the filing and the intervention deadline of December 26, 2003, to interested individuals and entities. No petitions to intervene or comments were filed and at its regularly scheduled March 23, 2004, meeting, the Commission considered FTCS' request for a certificate of authority. Commission Staff recommended granting a certificate of authority, subject to rural safeguards, and subject to the condition that FTCS not offer any prepaid services (including prepaid calling cards) and not accept or require any deposits or advance payments without prior approval of the Commission. Commission Staff further recommended a waiver of ARSD 20:10:24:02(8) and ARSD 20:10:32:03(11).

The Commission finds that it has jurisdiction over this matter pursuant to SDCL Chapter 49-31, specifically 49-31-3 and 49-31-69 and ARSD 20:10:24:02, 20:10:24:03 and 20:10:32:03. The Commission finds that FTCS has met the legal requirements established for the granting of a certificate of authority. FTCS has, in accordance with SDCL 49-31-3 and 49-31-71, demonstrated sufficient technical, financial and managerial capabilities to offer telecommunications services in South Dakota. Further, the Commission finds that there is good cause to waive subparagraph (8) of ARSD 20:10:24:02 and subparagraph (11) of ARSD 20:10:32:03.

The Commission approves FTCS' application for a certificate of authority, subject to rural safeguards, and subject to the condition that FTCS not offer any prepaid services (including prepaid calling cards) and not accept or require any deposits or advance payments without prior approval of the Commission. The certificate of authority for FTCS shall authorize it to offer local exchange services in South Dakota, except in those areas served by a rural telephone company. In the future, should FTCS choose to provide local exchange services statewide, with respect to rural telephone companies, FTCS will have to come before the Commission in another proceeding before being able to provide local service in that rural service area pursuant to 47 U.S.C. § 253(f) which allows the

Commission to require a company that seeks to provide service in a rural service area to meet the requirements in 47 U.S.C. § 214(e)(1) for designation as an eligible telecommunications carrier. In addition, the granting of statewide certification will not affect the exemptions, suspensions, and modifications for rural telephone companies found in 47 U.S.C. § 251(f). It is therefore

ORDERED, that FTCS' application for a certificate of authority to provide interexchange telecommunications services and local exchange services is granted, subject to the condition that FTCS not offer any prepaid services (including prepaid calling cards) and not accept or require any deposits or advance payments without prior approval of the Commission; and it is

FURTHER ORDERED, that FTCS shall file informational copies of tariff changes with the Commission as the changes occur; and it is

FURTHER ORDERED, that the Commission shall authorize FTCS to offer its local exchange services in South Dakota, except in those areas served by a rural telephone company; and it is

FURTHER ORDERED, that the Commission waives subparagraph (8) of ARSD 20:10:24:02 and subparagraph (11) of ARSD 20:10:32:03.

Dated at Pierre, South Dakota, this 5th day of April, 2004.
